This button will play the signing video for the text shown.

Use this button to re-start 'Tidy Up' or undo painting in 'Colours'.

This button will take you to the next page of an activity.

Speaking for Myself PLUS – QuickStart Guide

Once installed, start the program by putting the CD in the drive, click 'Start program' or push <enter>, or find *Speaking for Myself PLUS* on your *Start* menu. When the Home Page loads you will find the activity toolbar in the top right corner.

You can either use the mouse to click on your chosen activity or press <space> to highlight each one in turn and press <enter> when your preferred activity is highlighted. You can also use the <spacebar> and <enter> to select activities on the sub menus.

See over for the most common buttons used in the program.
